BATHROOMS

---

asianpaints

Asian Paints presents Royale Bathrooms, an anthology that reflects fine taste. Royale Bathrooms instantly transforms your bath spaces into sublime statements of style.

AP Assure is our commitment to deliver quality that is unparalleled in all our products and services. We not only provide an unmatched warranty for 12 years, but also ensure that the entire warranty registration process is extremely simple. We are the only company in this category to provide free replacement of parts. Our efficient after sales team spread across the country is equipped to resolve your issues within 48 hours.

German Neoperl aerator  
for smooth, bubbly flow

Adjustable swivel angle  
of +/- 10 degrees

### Royale OptiFlo

Our faucets come with German aerators which have a specially integrated honeycomb structure with embedded anti-impurity filters to give soft, bubbly foam-like flow. They also have a unique swivel function which gives you control over the flow of water.

Best in class flow

Tested for  
5,00,000 lifecycles

Nickel and chromium  
thickness greater than  
industry standard

### Royale Endurance

Imported cartridges of the highest quality with an operating life of up to 20 years have been used to give you a hassle-free experience. Our superior plating gives a mirror-like finish and higher corrosion resistance.

### Royale SmoothTouch

High quality ceramic disc cartridges with special lubricating mechanism ensure ultra-smooth, hassle-free handle movement.

Irrespective of the height  
of the source of water

### Royale Adapt

Our faucets are designed to work efficiently & effectively at various pressures ranging from 0.5 bar to 5 bar and temperatures as high as 85 degrees.

basin spout  
MRP: ₹2750/-

## INSTALLATION GUIDELINES

Asian Paints Royale Bathrooms continually interacts with consumers and strives to make its products consumer-friendly. The company's trained staff and executives maintain a direct interface with consumers, educating them about product quality, convenience and maintenance. Asian Paints Royale Bathrooms also believes that consumers must get the best out of its products. It has evolved a set of consumer guidelines, which if followed, ensure optimum and trouble-free performance with enhanced durability of Asian Paints Royale Bathroom products for years to come.

### DURING INSTALLATION

- Use a 25 mm pipeline instead of 20 mm for optimal water flow. As far as possible, lay the pipelines straight and vertical.
- Keep the number of bends in the pipelines to a minimum to maintain adequate water pressure. All supply lines must have vent pipes, which prevent vacuum formation and ensure that water flows smoothly.
- Maintain a centre-to-centre distance of 165 mm for both Hot and Cold inlets on all wall-mounted fixtures. This ensures a fuss-free, easy installation of the wall mixers.
- Place the outlet point in the overhead tank at least 2.5 cm above the ground level of the tank. This prevents the flow of foreign particles, sand, etc., into the water supply and the fittings, and prevents possible damage to working parts.

### POST INSTALLATION

- Cover the tap polypacks before or after their installation until they are ready for actual use to protect the fine finish from dirt, stains and other damage.
- Do not use harsh cleaning agents containing abrasives and acids. Instead, use a soft sponge or wet cloth with soapy water/diluted vinegar to protect the colour finish.
- Clean the aerators at regular intervals for a perfect flow of water from the fittings. To clean the aerator, remove it, knock out the silver insert and rinse thoroughly with water.
- Clean the overhead tank thoroughly before the supply starts. It is suggested that the overhead tank must be cleaned at regular intervals to avoid deposition of foreign particles. To prevent any foreign material from passing through the tap, use a mesh or jalli.

## WARRANTY DETAILS

Asian Paints Limited ("Company") Royale Faucets used in normal residential and non-residential segments are warranted to be free of defects in the material and workmanship for the period of time set forth in the warranty coverage table as detailed below, commencing from the date of sale of Asian Paints Limited Faucets products to the original purchaser.

**RESIDENTIAL USE | 12 YEARS**

**COMMERCIAL USE | 7 YEARS**

**SHOWERS AND HEALTH FAUCETS | 5 YEARS**

### WARRANTY COVERAGE

- The warranty period is not renewed or extended on supply of the spare parts during the warranty. The company will at sole discretion, repair or replace any defective component or part of product with or without cost.
- The warranty shall commence on the date that the consumer telephonically lodges his warranty with the company by contacting 1800-266-2079 and furnishing all the purchase and personal details requested by the company ("the commencement date"), within 15 days of purchase.
- The Company or its Authorized Service Franchisee solely can service/repair the product.
- The warranty becomes null and void if installation is not done by a qualified and experienced technician and/or as per the installation procedure laid down by the Company.

- Hoses, rubber parts, plastic parts and consumables are not included in warranty.
- This warranty is applicable only if the customer shows proof of purchase or the warranty registration number mentioned in the e-warranty card.
- This warranty will cover only manufacturing defects of the product and will not cover any defects arising out of factors out of control of the company like insufficient water pressure, high water impurities / hardness, breakage of parts due to excessive force etc. In no event shall the liability of the company exceed the purchase price of the product. Improper care and cleaning will void the warranty.

**This is Asian Paints Limited Faucet exclusive written warranty.  
Contact us at: 1800-266-2079 or [bathsolutions@asianpaints.com](mailto:bathsolutions@asianpaints.com)**

## MAINTENANCE GUIDE

Care and cleaning guideline for Royale Faucets

### DOs

- Clean the fitting with just a little soap or mild detergent (such as dish washing soap) and a soft dampened sponge or cloth. Then simply rinse off and wipe dry. You can prevent lime scale by drying the fitting after each use.
- Always test your cleaning solution on an inconspicuous area on the product before applying on the entire surface.
- The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits.
- It is important to use a dabbing action to dry metal, not an abrasive or rubbing action. Cleaning with a damp sponge and buff drying should keep your faucet looking beautiful and spotless.

### DON'Ts

- Do not use any abrasive sponges or scouring agents for cleaning.
- We also advise against the use of cleaning agents containing ammonia, bleach, acids, waxes, alcohol, solvents or other products not recommended for chrome. Most toilet cleaning products have high acidic content which can damage the chrome finish, leaving it dull and scratched; hence they should be strictly avoided.

## CLAIMS AND REPAIRS

To submit and/or avail a warranty claim, please contact Customer Service at [bathsolutions@asianpaints.com](mailto:bathsolutions@asianpaints.com). Telephonic enquiries shall be directed to Asian Paints helpline toll free number at **1800-266-2079** between 09.30 Hrs. and 18.00 Hrs. during Monday to Saturday, excluding Sunday, Public and National holidays.

## HOW TO REGISTER YOUR WARRANTY

It is mandatory to register your warranty. Please call our Asian Paints toll free helpline on 1800-266-2079 and press “3” (or) write to us at [bathsolutions@asianpaints.com](mailto:bathsolutions@asianpaints.com) within fifteen days (15) from the date of purchase of the product.

### WARRANTY DETAILS

1. At the time of registration, please keep the following information ready, as this will help Asian Paints Limited (“Company”) to log your Customer warranty. After successfully lodging your warranty, you will be issued a UWIN (Unique Warranty Identification Number). Please mention the said UWIN in all of your communication regarding the customer warranty.
2. Details required: Customer’s Full Name, Address, Product.
3. Please retain your original GST invoice along with a copy of this document for the duration of the warranty period. Please note that your original GST invoice would be required along with this warranty document to process claims pertaining to your customer warranty.
4. Should you ever experience a problem with the product or have any questions regarding the warranty, please call on toll free number 1800-266-2079 and keep this booklet with your unique customer warranty identification number and invoice at hand.
